

Name: _____ Date: _____ Period: _____

GEOLOGIC HISTORY INTERNET ACTIVITY

▶ **First, visit the following web site: <http://www.ucmp.berkeley.edu/education/explorations/tours/geotime/geotime.html>**

▶ **Then, click on “Student Start” and read through the module. As you navigate through geologic time, keep your eyes open for answers to the following questions.**

1. Find the book. Find any page in the book and describe what is happening there.
2. Find the word superposition. What does it mean?
3. Find the woman scientist. What is she studying? What will she learn?
4. Find the Jura Mountains. What country are they in and what period was named for them?
5. What do the periods on the geologic time scale represent?

BONUS QUESTION: What is a eurypterid?

SUPER BONUS: When did ammonites become extinct?
